

## Mental Health Services Data Set Version 4.0: Summary report

This report was created on Thursday 12 July 2018 at 12:09.

The consultation ran from 30/04/2018 to 27/05/2018.

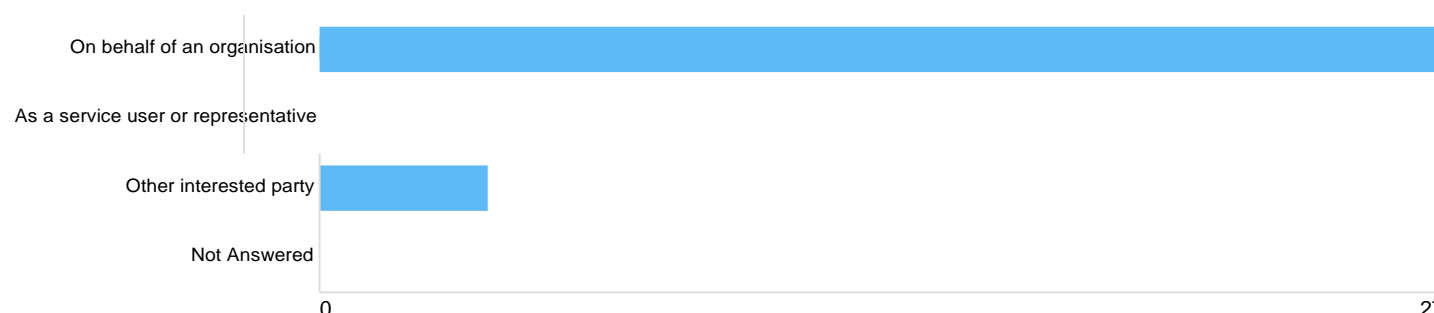

### Contents

Question 1: In what capacity are you responding to this consultation?	2
Q1	2
Question 2: If applicable, please provide the name of your organisation:	3
Q2	3
Question 3: If applicable, please tell us what type of organisation you work for - tick all that apply:	3
Q3: Choice	3
Q3: other	3
Question 4: Please tell us which role types were consulted with prior to providing the response for this consultation.	4
Q4: choice	4
Q4: other	4
Question 5: Please provide brief details of your specific areas of interest in the data set.	4
Q4 Area of interest	4
Q6: other	5
Question 6: Please provide your email address:	5
Q7	5
Question 7: Children and Young People - Do you agree with the technical solutions with respect to children and young people?	5
CYP - Addition of Parenting Responsibilities Indicator	5
CYP - Removal of age constraint for employment table	5
Q15: Comments	6
Question 8: Youth Justice - Do you agree with the technical solutions to the changes specified below?	6
Youth Justice - Change to Accommodation Status Code list	6
Youth Justice - Addition of Secure Children's Home Placement Type	6
Youth Justice - Change to Source of Referral for Mental Health	7
Youth Justice - Correction of references to Young Offender Institution	7
Q9: Comments	7
Question 9: Restrictive Interventions – Do you agree with the technical solutions to the requirements detailed below?	8
Restrictive Interventions - Replacement of Duration with End Date	8
Restrictive Interventions - Addition of Time items	8
Restrictive Interventions - Amendment to Restrictive Intervention Type	8
Restrictive Interventions - Addition of Restraint Level	9
Restrictive Interventions - Addition of Restrictive Intervention Debrief Held Indicator	9
Restrictive Interventions - Addition of Injury Indicators	10
Q13: Comments	10
Question 10: Medication Data – A requirement exists to report on psychotropic medication made available to patients as part of their referral for care.	10
Q14: Comments	10
Please detail any barriers you can identify in supporting this requirement:	10
Prescribing - Associated dates	10
Prescribing - Medicine prescribed (dm+d coded)	11
Prescribing - Administration method	11
Prescribing - Dosage	12
Prescribing - Frequency	12
Prescribing - Time period	13
Prescribing - Reason	13
Question 11: Overseas Visitor Charging Category - Do you agree with the technical solution detailed for this requirement?	14
Q8: Yes/ No	14
Q8: comments	14
Question 12: Care Plan Type (Mental Health) - Do you agree with the technical solution detailed for this requirement?	14
Care Plan Type (Mental Health) - Physical Health Care Plan	14
Care Plan Type (Mental Health) - Relapse Prevention Plan	15
Care Plan Type (Mental Health) - (Support and) Recovery Care Plan	15

Q10: Comments	15
Question 13: Change of scope to allow flow of family member and carer interventions - Are you in agreement with the technical solution for this requirement?	16
Family/Carer interventions	16
family carer comments	16
Question 14: Change of scope to allow submission of data from organisations not located in England - Are you in agreement with this change?	16
Organisations not located in England	16
non english comments	16
Question 15: Please let us know if there are any other tools or resources which you would like NHS Digital to provide, to assist with the implementation of version 4.0.	16
Q22	16
Question 16: If applicable, is there anything further NHS Digital can do to help with the data quality of your submission?	17
Q21: Comments	17
Question 17: Please provide any other feedback you have for NHS Digital.	17
Q23	17
Question 18: Please provide details of any specific reports that you would like to see based on the proposed new data in version 4.0.	17
Q24	17
Question 19: Monthly reports on the MHSDS are published on the NHS Digital website. The reports contain key information based on the submissions that have been made by providers and each report focuses on data relating to activity that occurred within a previous reporting month. Are you aware of these reports? Do you currently use these reports?	
Are you aware of these reports?	17
Do you currently use these reports?	17
If yes, please provide further details: If no, please explain why you do not use them:	17
Question 20: Assuming the Information Standards Notice (ISN) is published in August 2018, would you anticipate being able to achieve the following timescales?	18
Q25: Yes/No - Collection of the required data from 1 April 2019	18
Q25: Yes/No - Submission of the required data in June 2019	18
Q25: Comments	18
Question 21: Which type of system(s) do you supply? Please tick all that apply:	18
Q26	18
Q26-other	19
Question 22: Assuming the Information Standards Notice (ISN) is published in August 2018, would you anticipate being able to achieve the following timescales?	19
Q27: Yes/No - To allow recording of the changes specified in MHSDS v4.0 by 1 April 2019	19
Q27: Yes/No - To allow production of extracts for submission to NHS Digital in the format specified in MHSDS v4.0 by June 2019	19
Q27: Yes/No - To allow provider access to data in the new structure by June 2019	19
Q27: Comments	20
Question 23: Assuming the ISN is published in August 2018, do you consider the period of notice provided through the ISN to be adequate for the level of change included in this release?	20
Q28: Yes/No	20
Q28: Comments	20
