

SCR Additional Information survey for clinical staff: Summary report

This report was created on Monday 24 September 2018 at 10:48.

The consultation ran from 10/08/2018 to 21/09/2018.

Contents

Question 1: Name of your organisation?	3
Organisation	3
Question 2: Type of organisation?	4
Organisation type	4
Other:	5
Question 3: What is your specialty?	5
Specialty	5
Question 4: What is your role?	5
Role	5
Question 5: Have you ever viewed any SCRs with Additional Information?	5
Viewed AI	5
Question 6: How frequently do you view SCRs with Additional Information on average?	6
Frequency AI viewed	6
Question 7: How useful have you found viewing the Additional Information within SCRs?	7
SCRAI Usefulness	7
Please explain why you answered "Not at all useful":	7
Question 8: Thinking about the information you've obtained from specific SCRs in the past, what information have you found the most useful? Please select up to 5 from the choices below, with 1 being the most useful:	8
Ranking of 'Ranked in order of importance (1 most useful)'	8
Ranked in order of importance (1 most useful) - Anticipatory care information	9
Ranked in order of importance (1 most useful) - Resuscitation status	9
Ranked in order of importance (1 most useful) - Reason for medication	10
Ranked in order of importance (1 most useful) - End of life care preferences	10
Ranked in order of importance (1 most useful) - Significant medical history past and present	11
Ranked in order of importance (1 most useful) - Communication preferences	11
Ranked in order of importance (1 most useful) - Immunisations	12
Ranked in order of importance (1 most useful) - Information regarding frailty	12
Ranked in order of importance (1 most useful) - Advanced decisions	13
Ranked in order of importance (1 most useful) - Legal Power of Attorney	13
Ranked in order of importance (1 most useful) - Contact details for family, carers and healthcare professionals	14
Ranked in order of importance (1 most useful) - Disabilities information	14
Ranked in order of importance (1 most useful) - Signposting to key documents held elsewhere	15
Please explain the reason(s) for your highest ranking:	15
Question 9: When viewing Additional Information in the SCR do you usually need to spend more time per patient?	15
Disbenefit	15
If you answered "Yes", was spending this time beneficial to your patient care?	15
Please explain why you answered "No":	16
Question 10: How much more time have you spent per patient due to viewing the Additional Information? Please provide approximate additional time spent in minutes per patient:	16
Time added per patient	16
Other - additional time spent over 20 minutes per patient:	16
Question 11: Has the use of the Additional Information helped you to make more effective use of your time?	17
More effective us of time with patients	17
If you answered "No" please explain:	17
Question 12: How has use of the Additional Information helped you to make more effective use of your time?	17
use of time - Reduced time finding information	17
use of time - Reduced the number of calls to GP Practices or other healthcare professionals when planning care	18
use of time - Reduced assessment time	18
use of time - Supported decision making	19
use of time - Avoided referral to another healthcare professional	19
use of time - Other (please add comment below)	20

Other:	20
Question 13: When Additional Information was present in the SCR, approximately how much time did you save on average per patient?	21
Time saved in minutes/patient	21
Time saved in minutes per patient	21
Question 14: Has viewing the Additional Information been beneficial to your patients?	21
Viewing beneficial to patients	21
Please explain why you answered "No":	22
Question 15: Thinking about the information you've obtained from specific SCRs in the past, how has viewing the Additional Information been beneficial to your patients?	22
AI viewing pt benefits - Avoided an appointment with another healthcare professional	22
AI viewing pt benefits - Avoided the need to remember or repeat information	22
AI viewing pt benefits - Ensured care carried out was aligned to their previously expressed wishes	23
AI viewing pt benefits - Supported the identification and avoidance of potential medication related harm	23
AI viewing pt benefits - Supported decision making around discontinuation or changes to medication	24
AI viewing pt benefits - Supported tailoring of advice to increase patient understanding and promote self care	24
AI viewing pt benefits - Other (please add comments below)	25
Other:	25
If you selected "Avoided an appointment" what role would the appointment have been made with?	25
Question 16: Have you viewed any Summary Care Records which show the 'Reason for Medication'?	25
Viewed reason for medication	25
Question 17: Has viewing the 'Reason for Medication' been useful in avoiding potential harm to patients?	26
Reason for medication avoiding risk	26
Please explain why you answered "Not at all useful":	26
Question 18: Please provide anonymised examples of where potential harm was avoided through viewing the 'Reason for Medication':	26
Avoidance of harm examples (freetext)	26
Question 19: Has viewing the 'Reason for Medication' supported your understanding of the patient and/or the planning of their ongoing care?	26
Usefulness reason for medication	26
Please explain why you answered "Not at all useful":	27
Question 20: Please provide anonymised examples where the 'Reason for Medication' has supported your understanding of the patient and/or the planning of their ongoing care:	27
Examples:	27
Question 21: Please describe if you have found viewing the 'Reason for Medication' useful for any other purpose:	27
reason for meds useful another purpose (freetext)	27
Question 22: Have you viewed contact details through the SCR?	27
Used contacts	27
Question 23: Has viewing the contact details been useful to you?	27
Usefulness of contact info	27
Please explain why you answered "Not at all useful":	28
Question 24: How has viewing contact information been useful?	28
Contact info Useful? - Reduced the need to call GP practices and / or other care professionals	28
Contact info Useful? - Reduced the amount of calls needed to find the right contact	28
Contact info Useful? - Helped to avoid an admission	29
Contact info Useful? - Reduced time to plan the patients' discharge	29
Contact info Useful? - Helped to avoid referral to another healthcare professional	30
Contact info Useful? - Helped to avoid a referral to hospital	30
Contact info Useful? - Other (please add comments below)	31
comments	31
Question 25: Have you saved time through viewing the contact information?	31
time saved through contacts Y/N	31
Please explain why you answered "No":	31
Question 26: Approximately how much time have you saved due to your use of the contact information? Please select approximate time saved in minutes per patient contact viewed:	32
Time saved in minutes/patient contact viewed	32
time saved per patient contact viewed	32
Question 27: Does the presentation style and consistent format of the SCR and Additional Information make it easy for you to find information?	32
Format Yes/No	32

Yes re SCR Style..	33
If you answered "No", what don't you like?	33
Question 28: Do you prefer to view a summary of the GP record via the SCR rather than local health care record information systems?	33
Prefer SCR to LHR	33
If you answered "Yes" please explain why:	33
If you answered "No" please explain why:	33
Question 29: If you have found that the use of SCR Additional Information supports; or believe that it could support; you in caring for your patients please provide any other comments below:	33
Comments	33
Question 30: If you have found that there are disadvantages of viewing the Additional Information in Summary Care Records please add any comments below:	33
Disadvantages	33
Question 31: Do you have a great story to tell? Would you be willing to share your experiences so that they could be included as part of a case study?	33
If you are willing, please add your email address below and we will contact you to discuss this further with you. Otherwise please leave this box blank:	33

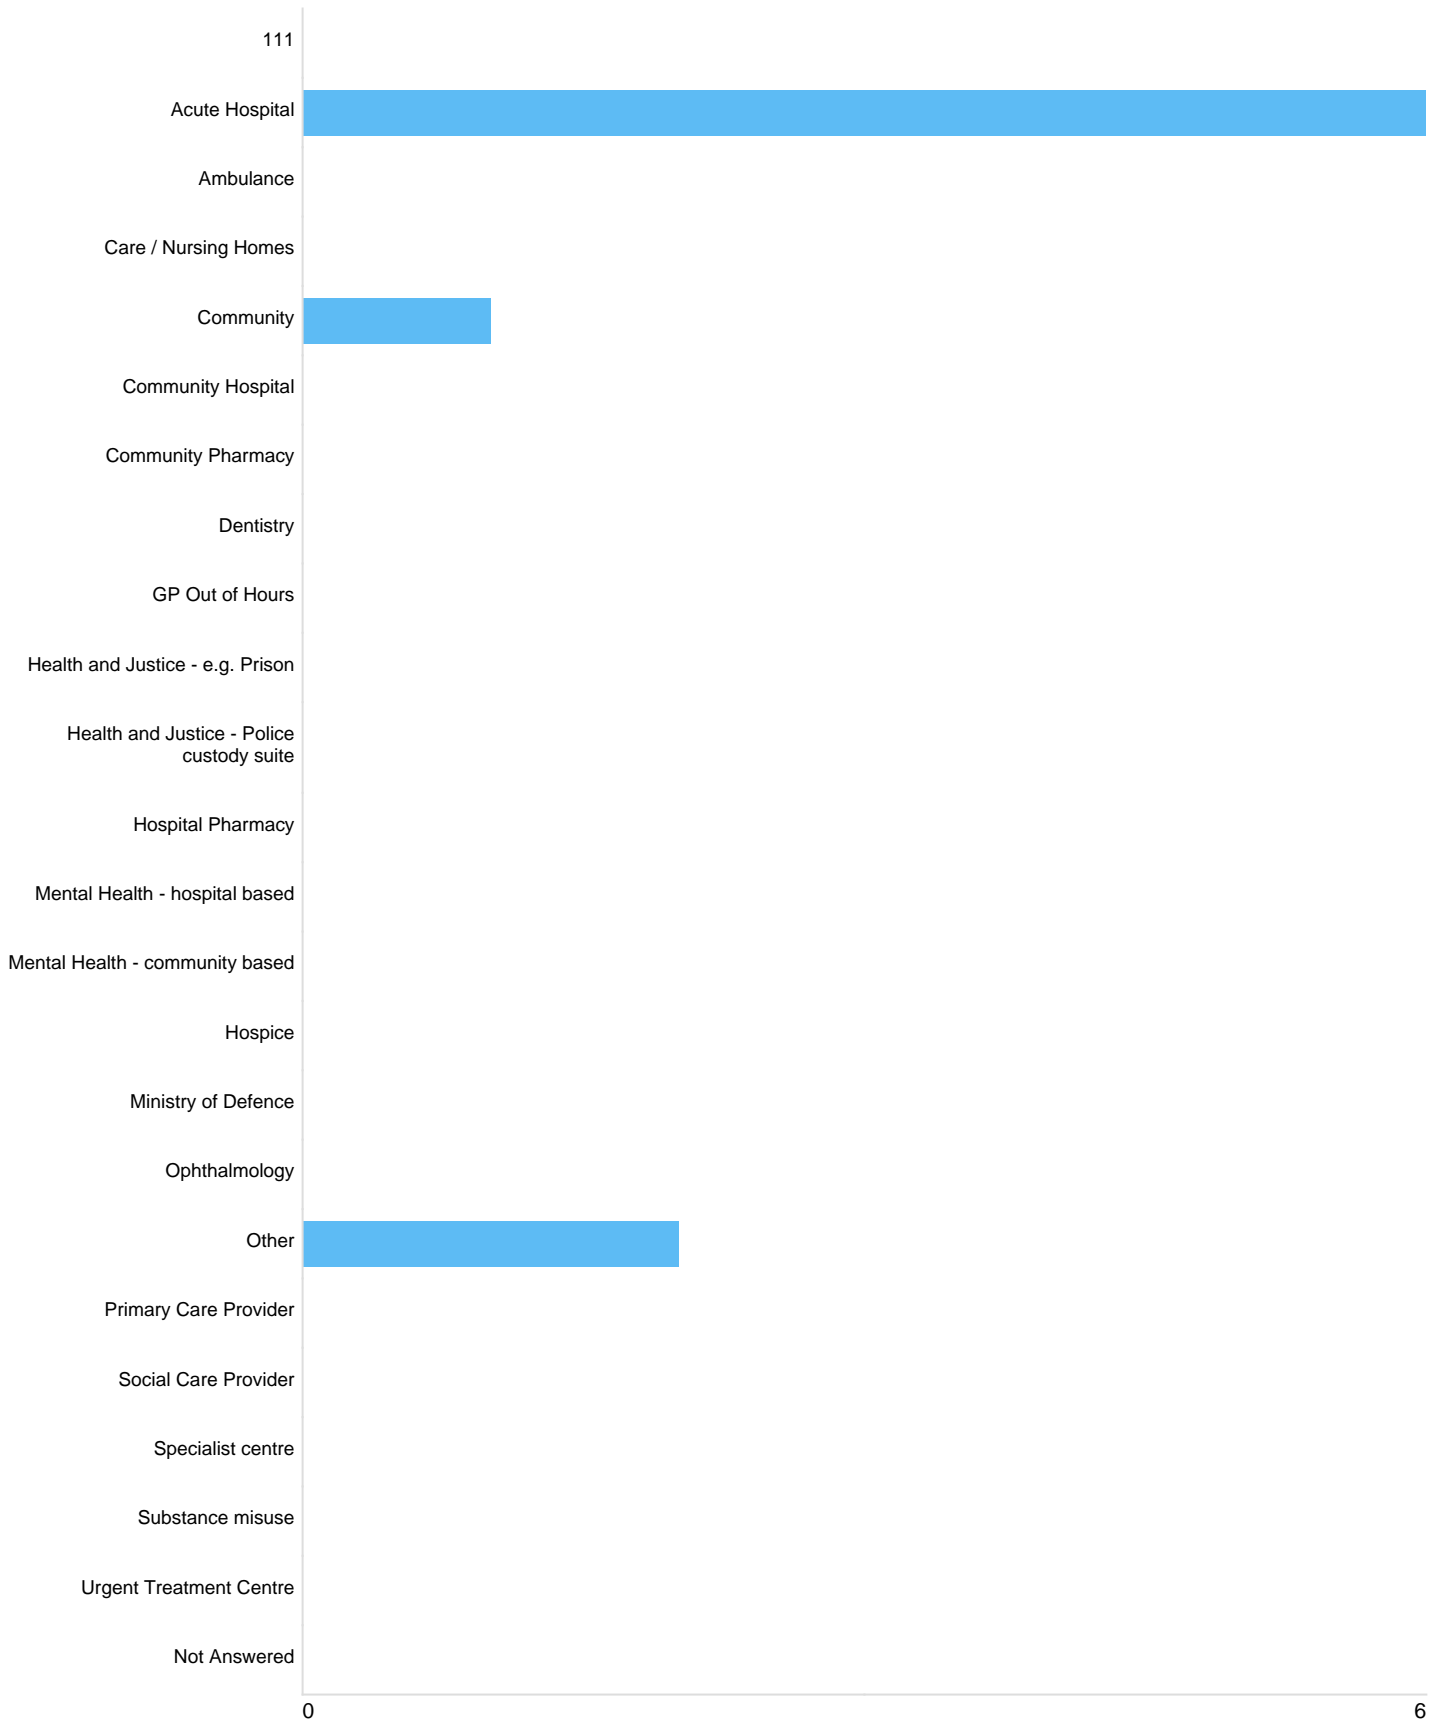

Question 1: Name of your organisation?

Organisation

There were **9** responses to this part of the question.

Question 2: Type of organisation?

Organisation type

Option	Total	Percent
111	0	0%
Acute Hospital	6	66.67%
Ambulance	0	0%
Care / Nursing Homes	0	0%

Please explain the reason(s) for your highest ranking:

There were 5 responses to this part of the question.

Question 9: When viewing Additional Information in the SCR do you usually need to spend more time per patient?

Disbenefit

Option	Total	Percent
Yes - please explain below	2	22.22%
No - please explain below and move to question 12	3	33.33%
Unsure	1	11.11%
Not Answered	3	33.33%

If you answered "Yes", was spending this time beneficial to your patient care?

There were 2 responses to this part of the question.

Please explain why you answered "No":

There were 2 responses to this part of the question.

Question 10: How much more time have you spent per patient due to viewing the Additional Information? Please provide approximate additional time spent in minutes per patient:

Time added per patient

Option	Total	Percent
None	2	22.22%
Less than a minute	0	0%
1-3 minutes	0	0%
3-5 minutes	0	0%
5-10 minutes	1	11.11%
10 - 15 minutes	1	11.11%
15 - 20 minutes	0	0%
More than 20 minutes	1	11.11%
Other - if more than 20 minutes please explain how much time spent	0	0%
Not Answered	4	44.44%

Other - additional time spent over 20 minutes per patient:

There were 0 responses to this part of the question.

Question 11: Has the use of the Additional Information helped you to make more effective use of your time?

More effective us of time with patients

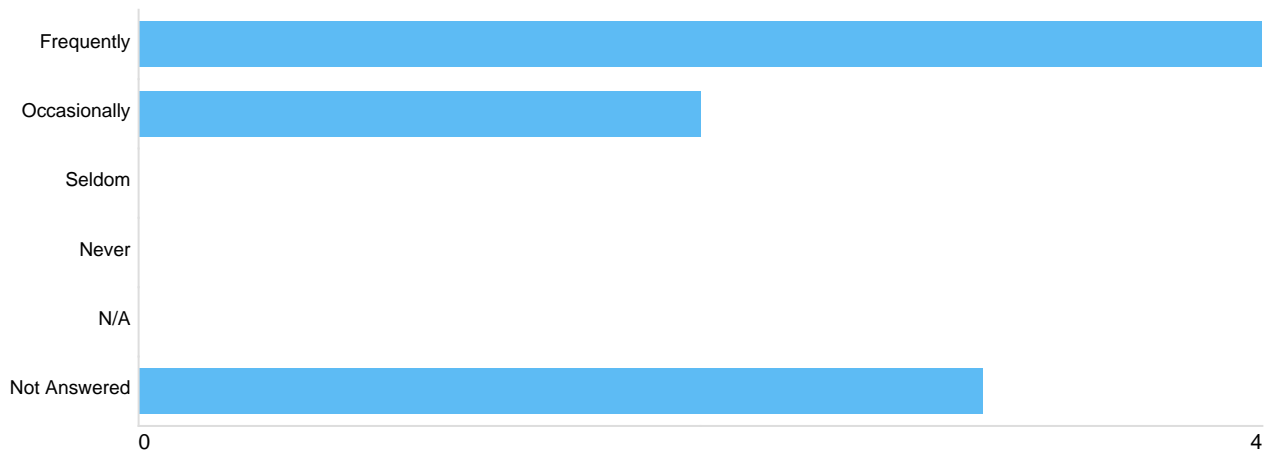

Option	Total	Percent
Yes	5	55.56%
No - please explain below and move to question 14	0	0%
Unsure	0	0%
Not Answered	4	44.44%

If you answered "No" please explain:

There was 1 response to this part of the question.

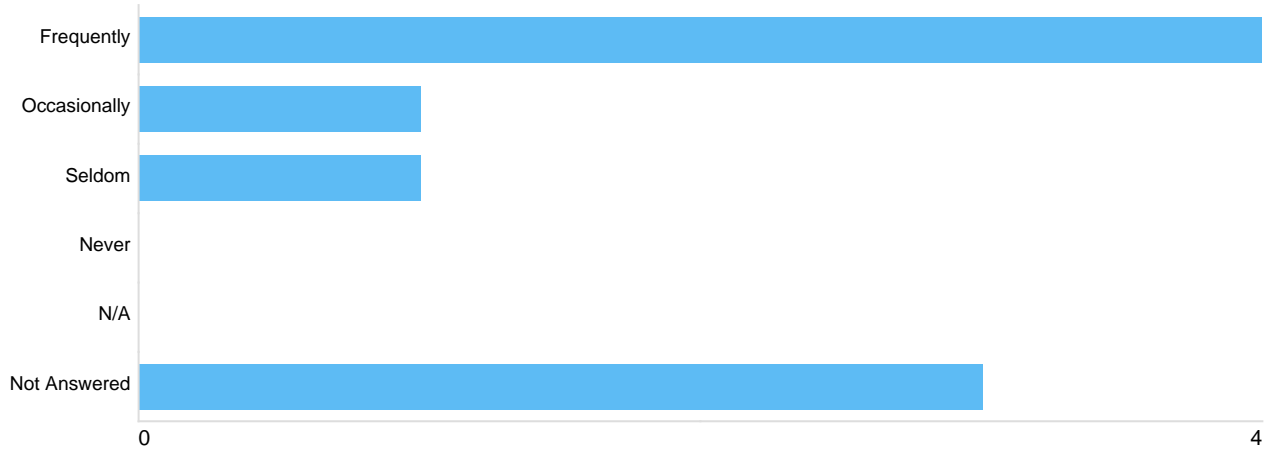

Question 12: How has use of the Additional Information helped you to make more effective use of your time?

use of time - Reduced time finding information

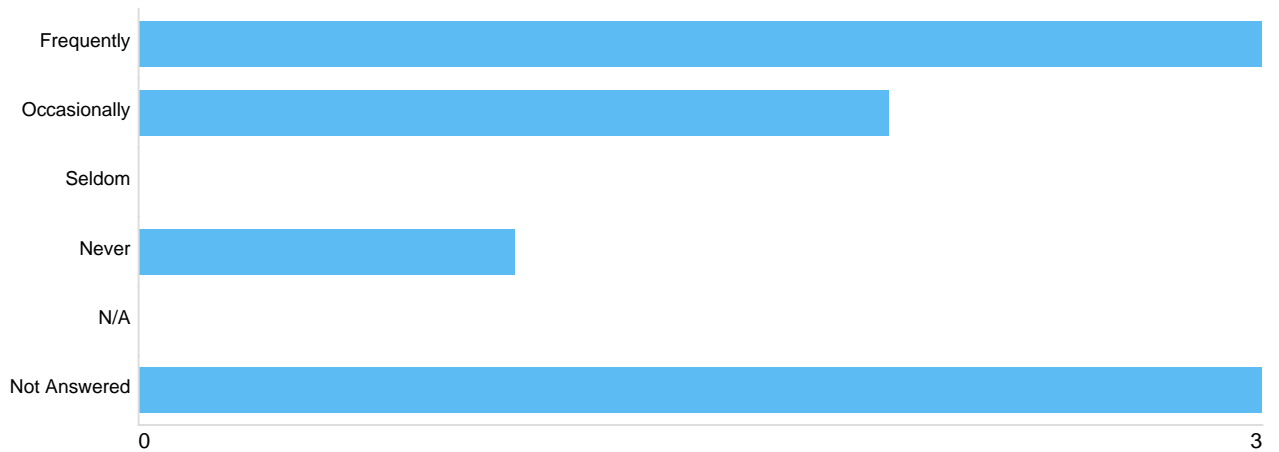

Option	Total	Percent
Frequently	4	44.44%
Occasionally	2	22.22%
Seldom	0	0%
Never	0	0%
N/A	0	0%
Not Answered	3	33.33%

use of time - Reduced the number of calls to GP Practices or other healthcare professionals when planning care

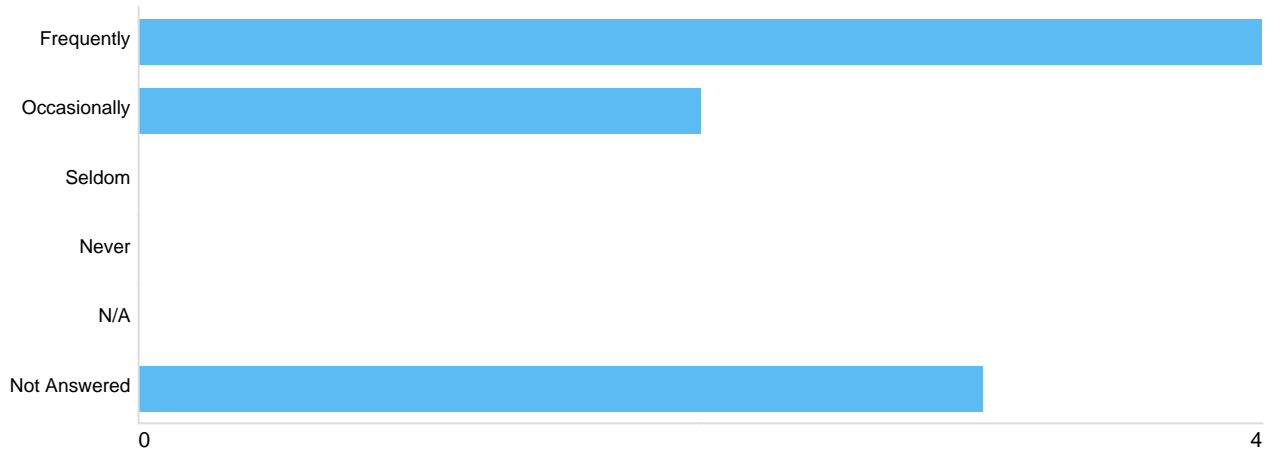

Option	Total	Percent
Frequently	4	44.44%
Occasionally	1	11.11%
Seldom	1	11.11%
Never	0	0%
N/A	0	0%
Not Answered	3	33.33%

use of time - Reduced assessment time

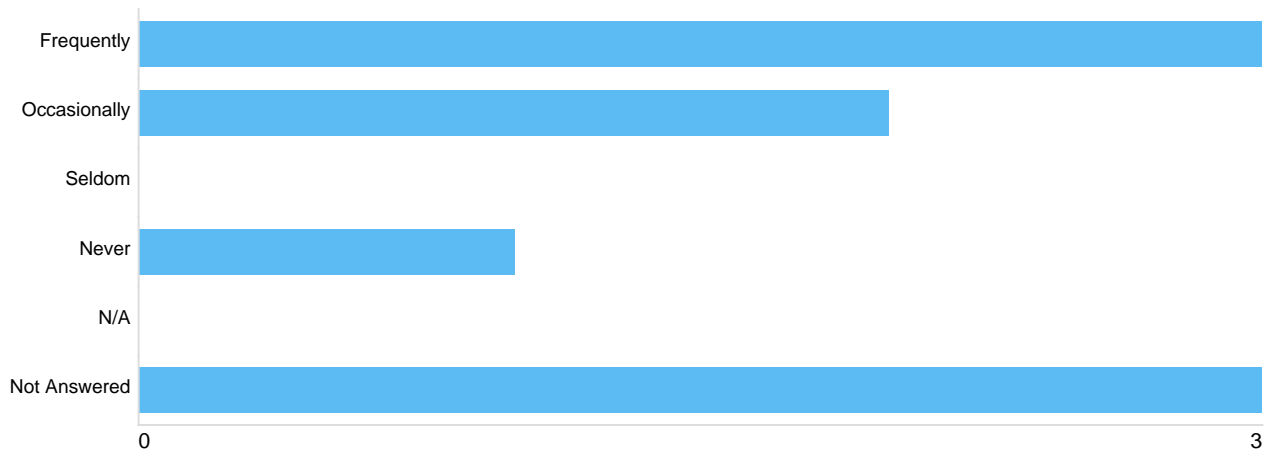

Option	Total	Percent
Frequently	3	33.33%
Occasionally	2	22.22%
Seldom	0	0%
Never	1	11.11%
N/A	0	0%
Not Answered	3	33.33%

use of time - Supported decision making

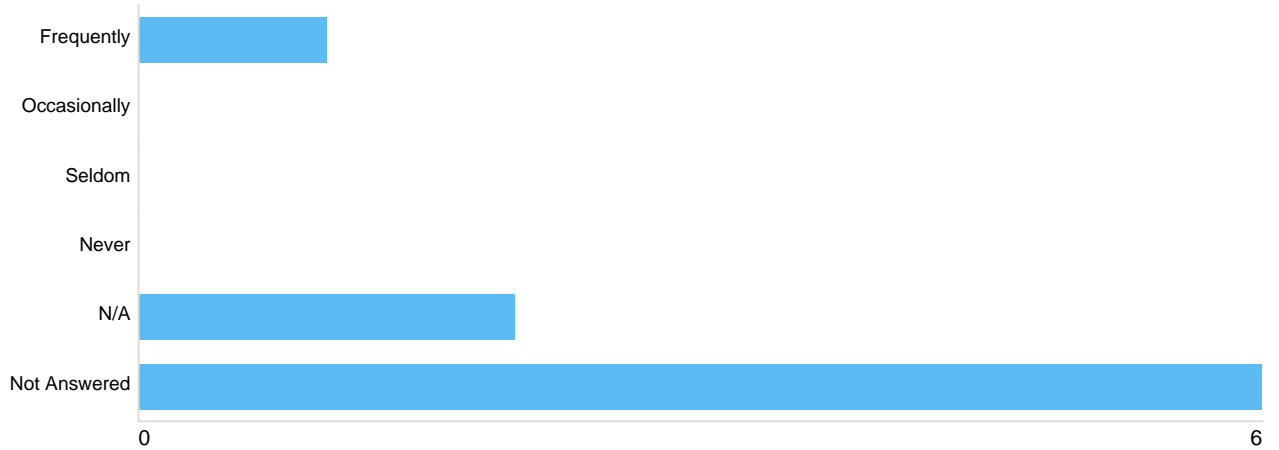

Option	Total	Percent
Frequently	4	44.44%
Occasionally	2	22.22%
Seldom	0	0%
Never	0	0%
N/A	0	0%
Not Answered	3	33.33%

use of time - Avoided referral to another healthcare professional

Option	Total	Percent

Not Answered	3	33.33%

use of time - Other (please add comment below)

Option	Total	Percent
Frequently	1	11.11%
Occasionally	0	0%
Seldom	0	0%
Never	0	0%
N/A	2	22.22%
Not Answered	6	66.67%

Other:

There were 2 responses to this part of the question.

Question 13: When Additional Information was present in the SCR, approximately how much time did you save on average per patient?

Time saved in minutes/patient

Option	Total	Percent
None	1	11.11%
Less than a minute	0	0%
1-3 minutes	0	0%
3-5 minutes	1	11.11%
5-10 minutes	1	11.11%
10 - 15 minutes	2	22.22%
15 - 20 minutes	0	0%
More than 20 minutes	1	11.11%
Other - if more than 20 minutes please explain how much time spent	0	0%
Not Answered	3	33.33%

Time saved in minutes per patient

There were **0** responses to this part of the question.

Question 14: Has viewing the Additional Information been beneficial to your patients?

Viewing beneficial to patients

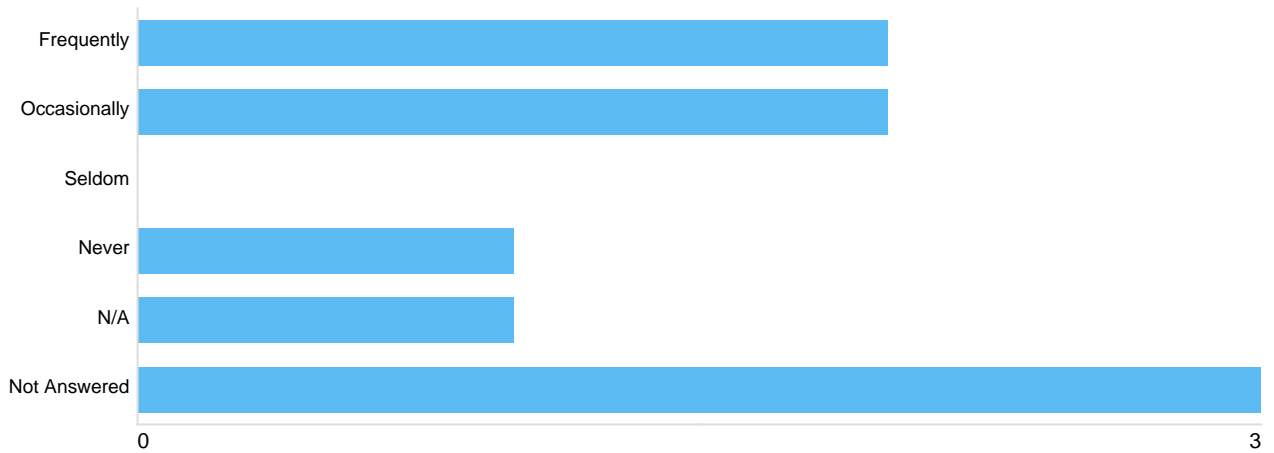

Option	Total	Percent
Yes	5	55.56%
No - please explain below and move to question 17	0	0%
Unsure	1	11.11%
Not Answered	3	33.33%

Please explain why you answered "No":

There were **0** responses to this part of the question.

Question 15: Thinking about the information you've obtained from specific SCRs in the past, how has viewing the Additional Information been beneficial to your patients?

AI viewing pt benefits - Avoided an appointment with another healthcare professional

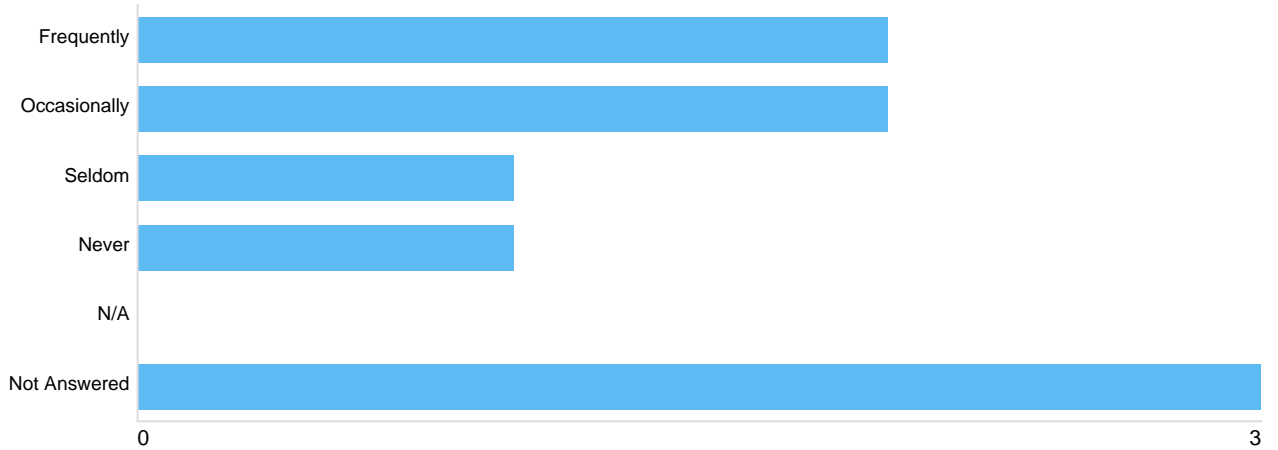

Option	Total	Percent
Frequently	2	22.22%
Occasionally	2	22.22%
Seldom	0	0%
Never	1	11.11%
N/A	1	11.11%
Not Answered	3	33.33%

AI viewing pt benefits - Avoided the need to remember or repeat information

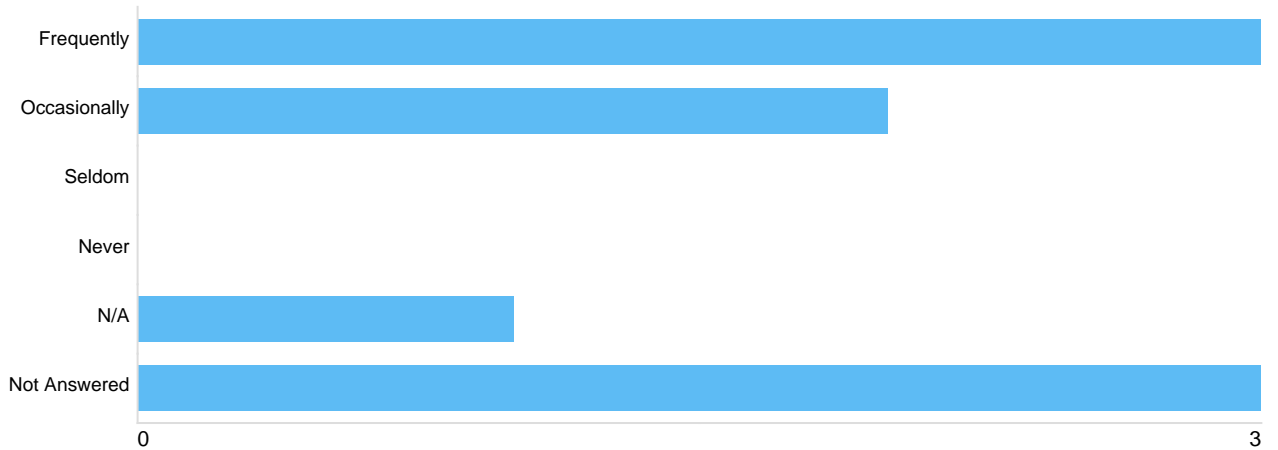

Option	Total	Percent
Frequently	4	44.44%
Occasionally	0	0%
Seldom	0	0%
Never	1	11.11%
N/A	1	11.11%
Not Answered	3	33.33%

AI viewing pt benefits - Ensured care carried out was aligned to their previously expressed wishes

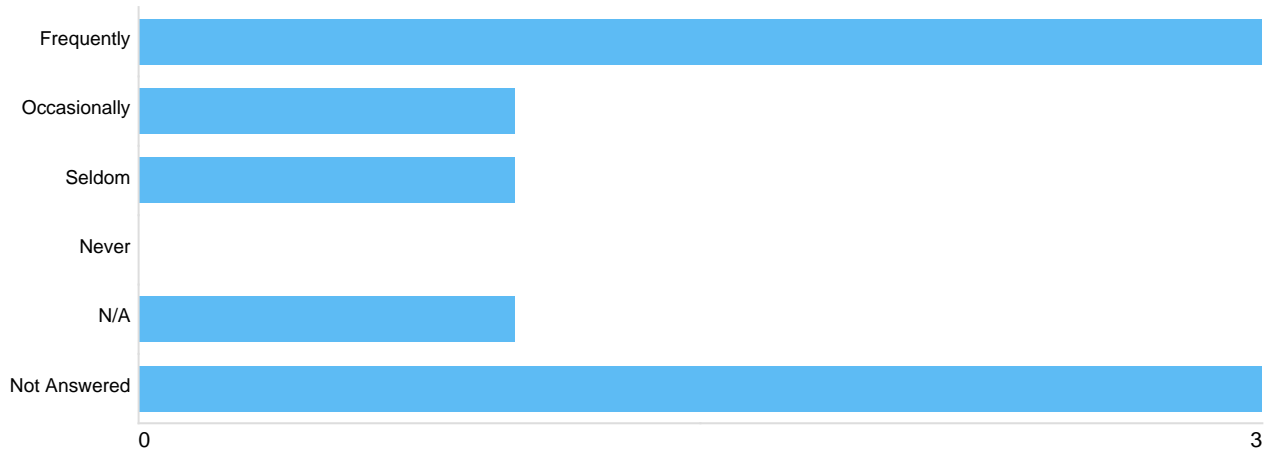

Option	Total	Percent
Frequently	2	22.22%
Occasionally	2	22.22%
Seldom	1	11.11%
Never	1	11.11%
N/A	0	0%
Not Answered	3	33.33%

AI viewing pt benefits - Supported the identification and avoidance of potential medication related harm

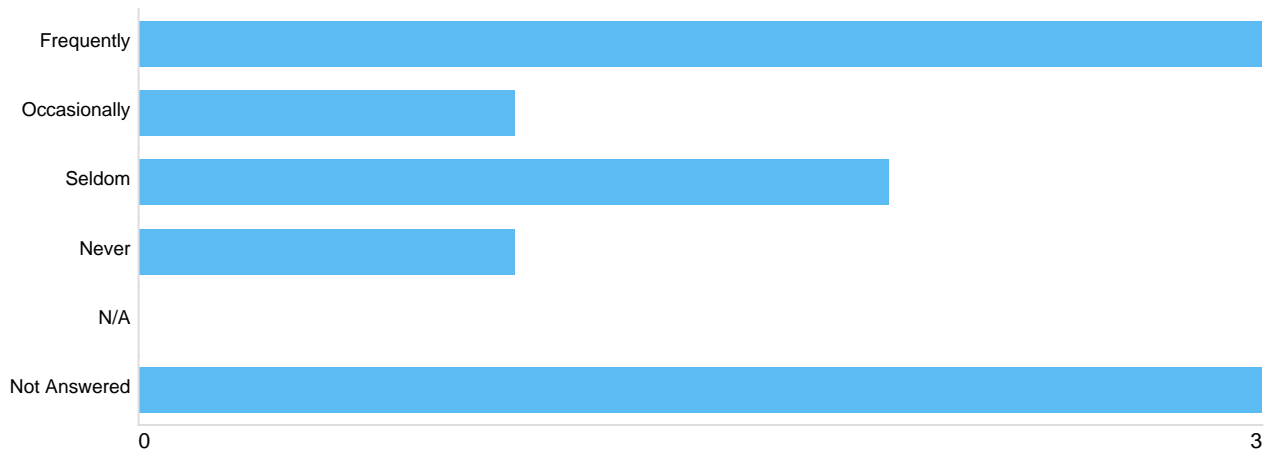

Option	Total	Percent
Frequently	3	33.33%
Occasionally	2	22.22%
Seldom	0	0%
Never	0	0%
N/A	1	11.11%
Not Answered	3	33.33%

AI viewing pt benefits - Supported decision making around discontinuation or changes to medication

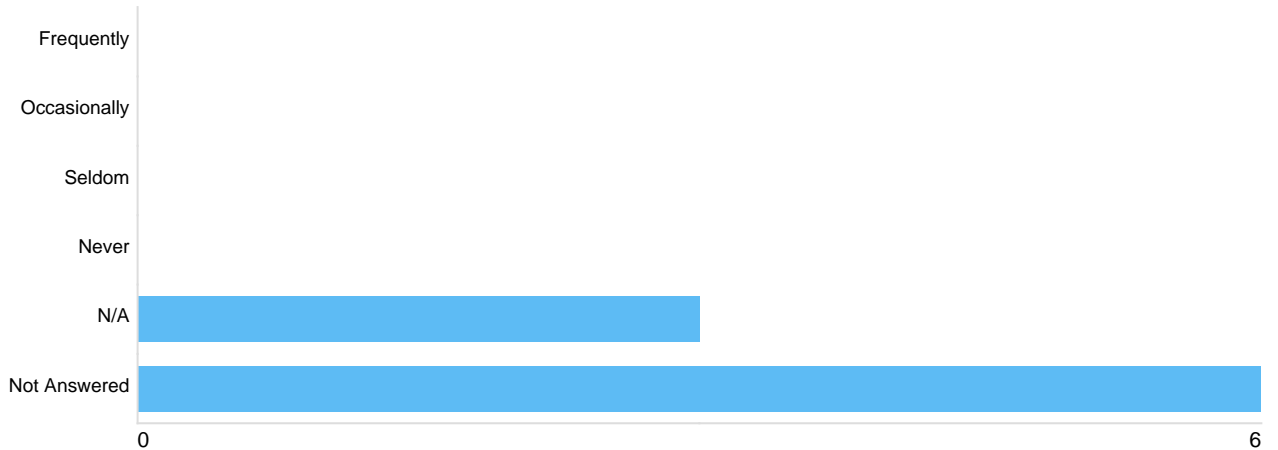

Option	Total	Percent
Frequently	3	33.33%
Occasionally	1	11.11%
Seldom	1	11.11%
Never	0	0%
N/A	1	11.11%
Not Answered	3	33.33%

AI viewing pt benefits - Supported tailoring of advice to increase patient understanding and promote self care

Option	Total	Percent
Frequently	3	33.33%
Occasionally	1	11.11%
Seldom	2	22.22%
Never	1	11.11%
N/A	0	0%
Not Answered	3	33.33%

All viewing pt benefits - Other (please add comments below)

Option	Total	Percent
Frequently	0	0%
Occasionally	0	0%
Seldom	0	0%
Never	0	0%
N/A	3	33.33%
Not Answered	6	66.67%

Other:

There were 0 responses to this part of the question.

If you selected "Avoided an appointment" what role would the appointment have been made with?

There were 3 responses to this part of the question.

Question 16: Have you viewed any Summary Care Records which show the 'Reason for Medication'?

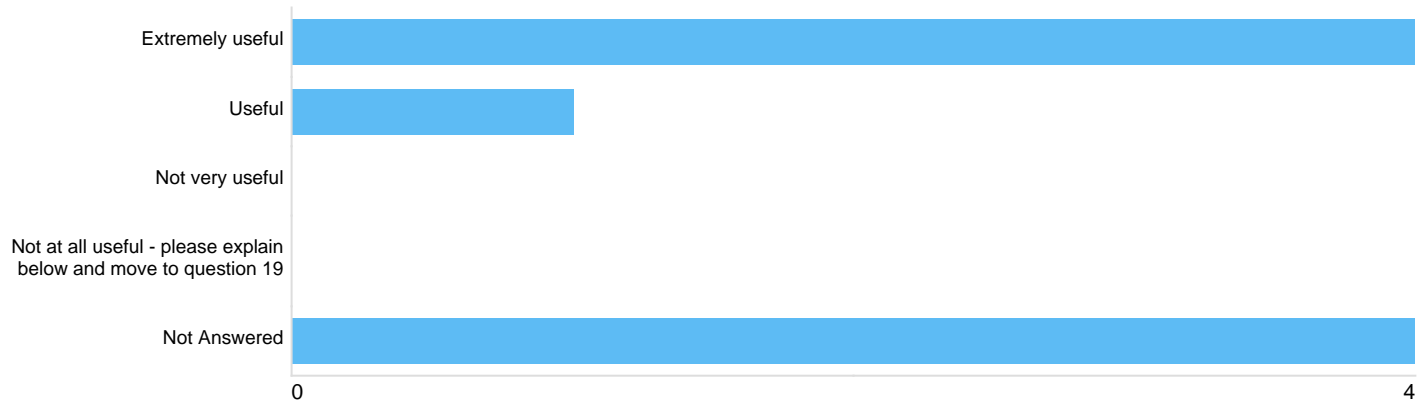

Viewed reason for medication

Option	Total	Percent
Yes	5	55.56%
No - please move to question 22	1	11.11%
Unsure	0	0%
Not Answered	3	33.33%

Question 17: Has viewing the 'Reason for Medication' been useful in avoiding potential harm to patients?

Reason for medication avoiding risk

Option	Total	Percent
Extremely useful	4	44.44%
Useful	1	11.11%
Not very useful	0	0%
Not at all useful - please explain below and move to question 19	0	0%
Not Answered	4	44.44%

Please explain why you answered "Not at all useful":

There were 0 responses to this part of the question.

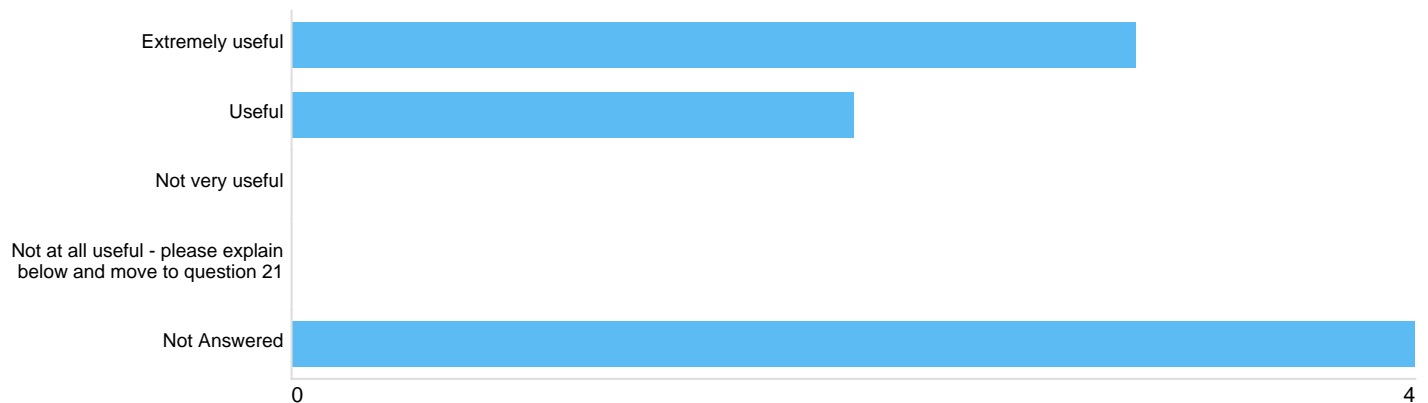

Question 18: Please provide anonymised examples of where potential harm was avoided through viewing the 'Reason for Medication':

Avoidance of harm examples (freetext)

There were 2 responses to this part of the question.

Question 19: Has viewing the 'Reason for Medication' supported your understanding of the patient and/or the planning of their ongoing care?

Usefulness reason for medication
